

Student Name:

INSTRUCTIONS

1. Click on the icon titled *Grade 5 door*.

2. Click on the icon titled **Environment**.

The Environment

3. Click on the link titled **What Can You Do** found under the title **Our Community**.

4. Click on the link titled **English** found on the Environment Canada Page.

5. Click on the icon titled **Take Action**.

6. Make a list of **actions** you can do at home to **reuse, reduce, or recycle**.

Reduce	Reuse	Recycle

7. Click on the link **AT Home** and **scan/read the ideas** for recycling at home. **Compare** these methods to your **chart records**. **Might you be able to add more ways to reduce, reuse, recycle?**

8. After clicking on the **Recycling** link and then clicking the **Recycling Beyond Paper and Plastic** link, think about other ways to recycle around your home.

What are **3 ways** to recycle **beyond paper and plastic**?

9. Think about how you might **incorporate** these 3 methods into your home recycling action plan. Write a brief **action plan** of how you might incorporate these methods. Use the outline provided to assist you.

Use the **outline** below to assist you with **writing** your new action plan.

RECYCLING HOME ACTION PLAN

Water (action)

Compost (action)

E-recycle (action)

10. On a scale of **1 -3** (1 = most important and 3 = least important) **rank** each method of recycling it terms of home importance.

1. _____ 2. _____ 3. _____
