## Ick! The Yuckiest Site on the 'Net

A Grade 5 Sci/Tech online worksheet!

Student Name: \_\_\_\_\_

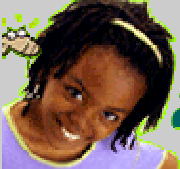

Gulp...let's go...

- Let's get started! Go through the **Grade 5 door** on **Studentlink** and head to the **Science and Technology** link that is found in the third column. Click on it....
- How many different columns are listed? \_\_\_\_\_. Locate the link called "Gross and Cool". Under which column is it found? \_\_\_\_\_.
- What is the title of this website? \_\_\_\_\_.  
How many "settings" are there? \_\_\_\_\_.
- Click on one of the two settings. Try Extra Slimy first to see if it works.
- Who or what is **Wendell**? \_\_\_\_\_.

- Find the "yucky poll". What question is being asked? \_\_\_\_\_  
\_\_\_\_\_

- 

Are you ready? Click on "**gross & cool body**". This section is going to explore how what works? \_\_\_\_\_. Continue on by clicking on the button. Let's start with something fairly safe and gross-proof: **ankle sprain!** Click on that link and prepare to have Wendell give you a tour.

- Click on the first question "What is a sprain?" and prepare to answer questions based on the tour:
  - What is a sprain?  
\_\_\_\_\_
  - Why does a sprain become bruised and swollen?  
\_\_\_\_\_

- Scroll down to the bottom of the orange webpage. What other 2 body systems can you learn about by clicking on a link?  
\_\_\_\_\_ and the \_\_\_\_\_

- Take a minute to click on each to learn more!  
Which creature has more neck bones? Humans or Giraffes?  
How many facial muscles do you have?
